

Guide to Embedding JoVE Videos into LabArchives

Login to your LabArchives account and JoVE account
using your institution email address)

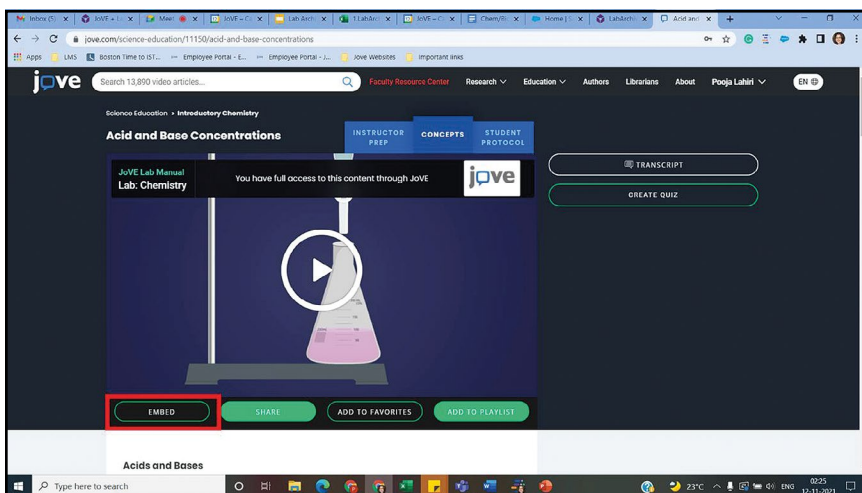

1

LabArchives
Open / Create a “New Page”
in your Notebook. Click on
“Rich Text”

2

JoVE website
Click on the “EMBED” button
below the Video (make sure
you are logged into your JoVE
account for the embed code)

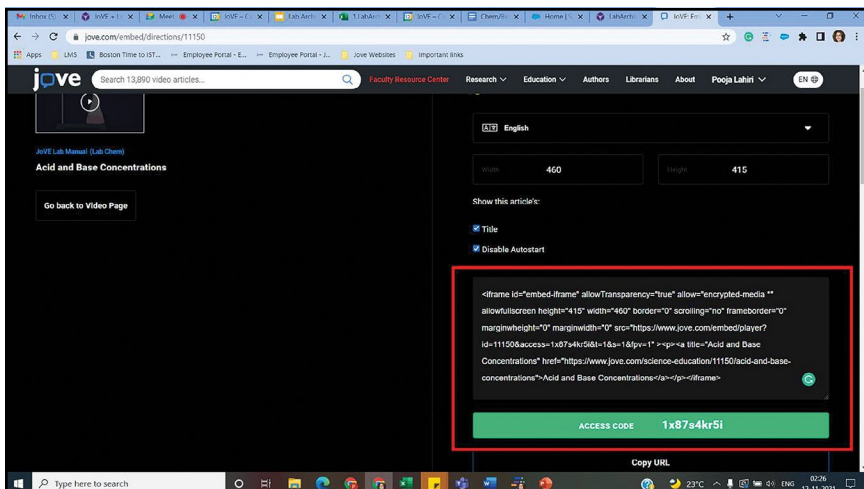

For any additional information or help please contact us at customersuccess@jove.com.

3

JoVE website

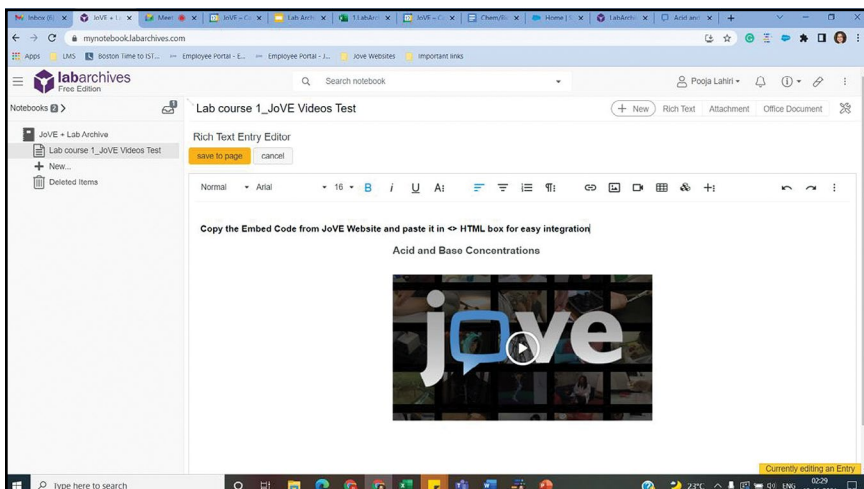

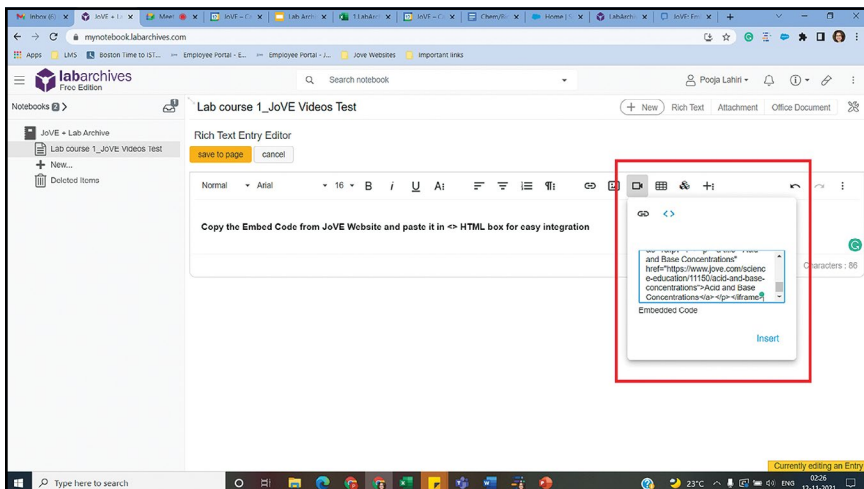

Click the “Copy Embed Code” button (till it turns green with an access code unique to your account). You can adjust the screen dimensions.

4

LabArchives

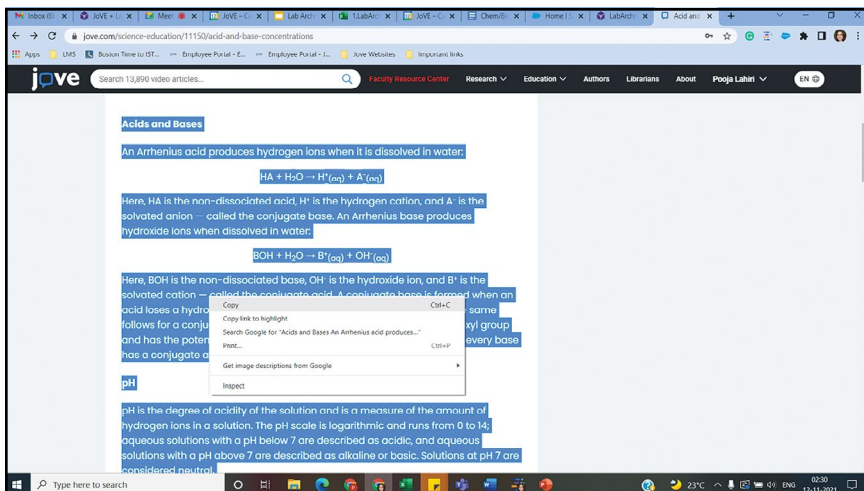

Click on the Video button in the Rich Text tool bar. Select <> - HTML text space. Copy-paste the embed code into the blank box and click “Insert”.

For any additional information or help please contact us at customersuccess@jove.com.

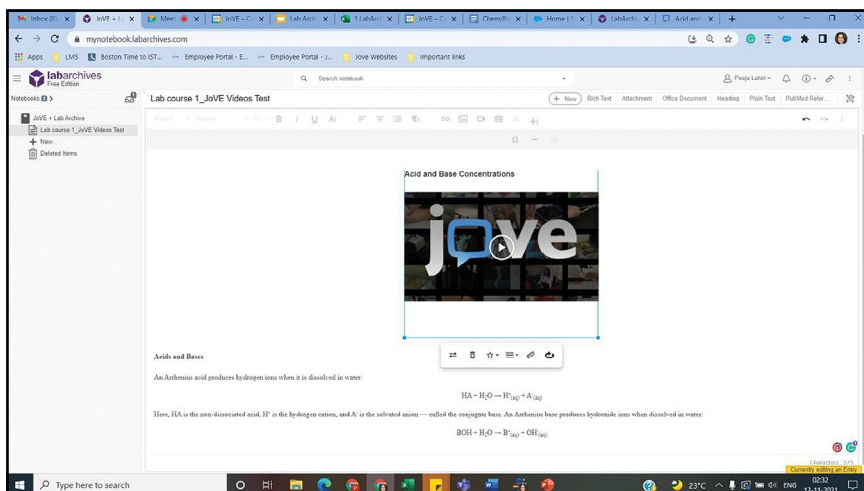

5

JoVE website
Copy-paste the text from the JoVE website below the embedded video.

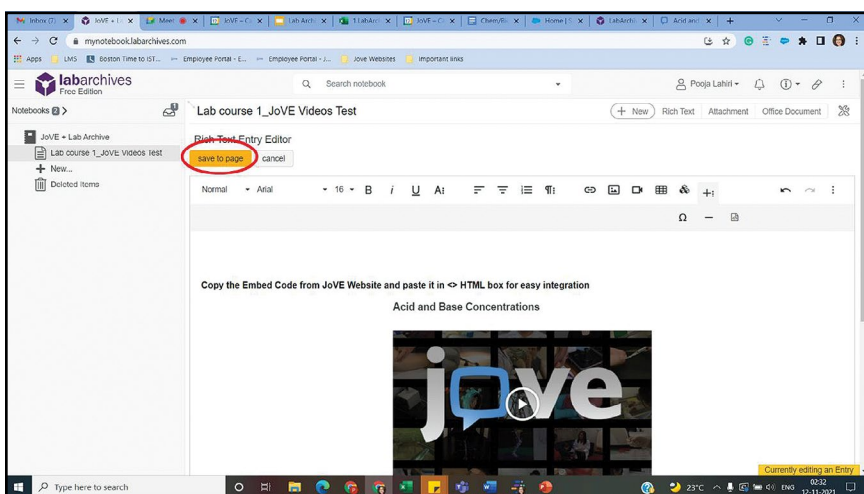

6

LabArchives

7

LabArchives
Select "Save to Page."
Multiple embed codes/videos can be added to the same page.

For any additional information or help please contact us at customersuccess@jove.com.
